

Apartment with fireplace for rent in La Dreta de l'Eixample, Barcelona

Ref: CM1048

Eixample Dret / Barcelona

Carolina Martí presents this apartment for rent with a fireplace, located in La Dreta de l'Eixample, Barcelona. The property has a total area of 150 m², which are divided into three bedrooms (two doubles and one single), and three complete bathrooms (two of them have a bathtub). All rooms are exterior facing south and west. Inside the property we find an office-type kitchen, which connects with the exterior laundry room of the property. In this laundry room there is enough space to install a washing machine, a dryer, hang clothes, etc. The kitchen itself is completely renovated and equipped with all appliances. The living-dining room has access to the 35 m² terrace. The terrace is an ideal place to sunbathe, as great natural light can be seen during daylight hours. In this place there are a few meters dedicated to a small laundry room, in which we can store objects, or make a small reform to get an additional room. The house has a fireplace and a library, two classic pieces that are difficult to find in Barcelona. The building was constructed in 1950, and the energy certificate is still in progress.
